

FLOW / LEVEL / PRESSURE & TEMPERATURE CONTROLS

 <p>High-Accuracy Precision Variable-Area Flowmeters</p>	 <p>High-Performance Instrumentation Valves</p>	 <p>Pressure & Temperature Control Instruments</p>	 <p>Instrument Air-Filter & Pressure-Regulators I/P, E/P & P/I, Transducers</p>
 <p>Low Pressure & Flow Control Instruments</p>	 <p>Ultrasonic, Radar Level Transmitters & Level Switches.</p>	 <p>Process & Temperature Indicators & Controllers</p>	 <p>Pressure Gauges & Diaphragm Seals</p>
 <p>Pressure & Level Control Instruments</p>	 <p>Sight Flow Indicators & Liquid Level Gauges</p>	 <p>Magnetic Liquid Level Indicators & Transmitters</p>	 <p>Pressure & Temperature Control Instruments</p>
 <p>Pressure, Level Differential-Pressure, Flow Temperature Transmitters</p>	 <p>Custom Boiler-Tube Thermocouples Temperature-Sensors</p>	 <p>Electro-Magnetic, Ultrasonic Vortex & Turbine Flowmeters</p>	 <p>Sight Flow Indicators Flow & Level Switches</p>

PANEL METERS / SIGNAL CONDITIONERS & WIRELESS DEVICES

 <p>Process Signal Converters, Isolators & Transmitters</p>	 <p>Wireless Systems & Process Instruments</p>	 <p>Process & Temperature Indicators & Controllers</p>	 <p>Process Signal Converters, Isolators & Transmitters</p>
-----------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------

CALIBRATION & PROCESS MEASUREMENT EQUIPMENT

 <p>Pressure & Temperature Calibration Equipment</p>	 <p>Pressure & Temperature Calibration Equipment</p>	 <p>Process Measurement & Calibration Equipment</p>	 <p>Gas Detection Equipment & Systems</p>
